**YOU CAN choose
WHERE YOUR
CHILD HAS SURGERY.**

**CHOOSE THE experts
IN PEDIATRIC CARE.**

We have pediatric doctors, nurses and nurse anesthetists.

We focus on decreasing your child's anxiety.

We have a "no owie policy."

We have a dedicated Child Life Specialist to assist you and your child during your stay with a variety of activities.

All equipment and supplies at Children's South are age-appropriate because children are NOT "little adults."

DID YOU KNOW THAT OUTPATIENT SURGERY CAN ACTUALLY BE

At Children's South Pediatric Outpatient Surgery Center, we understand that the surgical experience can be very stressful for the patient and family.

Keeping this in mind, we provide a fun, family-centered environment featuring state-of-the-art technology. When you bring your child to Children's South, rest assured care is being provided by an experienced and friendly staff dedicated to the care of children.
