

Hand Washing

Washing my hands is important.

Washing my hands will help keep me healthy and safe from germs.

I will turn on the water.

I will wet my hands.

I will put soap on my hands.

I will rub my hands together.

I will rinse my hands.

I will dry my hands.

I am all done.

This social story has been developed as a resource for families, clinical practitioners and trainees at The Children's Hospital of Alabama by the Sensory Task Force. Effort has been made to ensure the accuracy of this story, but it is the user's responsibility to evaluate the appropriateness of this information for each clinical situation (1st ed. 2018)
