Children's
of Alabama®

UAB HEERSINK
SCHOOL OF MEDICINE
The University of Alabama at Birmingham

Learning Objectives

Upon completion of this live activity, participants will be able to:

- 1** Review the latest information on prevention and management of important pediatric disorders.
- 2** Diagnose and create a management plan for specific pediatric disorders in a primary care setting.
- 3** Describe consensus guidelines for specific pediatric diseases.
- 4** Differentiate when referral to a specialist is necessary for complex pediatric problems.

Agenda

8:15-9:15	Craniosynostosis for the Practicing Pediatrician: Pearls and Pitfalls Cassi Smola, MD and René Myers, MD
9:30-10:30	Oral Immunotherapy for Food Allergy: Current Assessment and Future Directions Brian Vickery, MD
10:30-11:30	Pediatric Headache: A Stepwise Approach Sarah Novara, MD, MSHQS and Sam Weaver, DNP, CPNP-AC
12:30-1:30	Update on best practices and next steps in treatment of pediatric depression and anxiety Tobias Martinez, MD and Ana Eusebio, MD
1:45-2:45	Practical POTS for the Practical Pediatrician Camden Hebson, MD

Continuing Education (CME)

Children's of Alabama designates this live activity for a maximum of 5.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Association of the State of Alabama through the joint providership of Children's of Alabama and the Jefferson County Pediatric Society. Children's of Alabama is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 5.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit. **Note: MOC points are Part 2.**
