

Pediatric Neuro-Oncology Program

Over
3,000

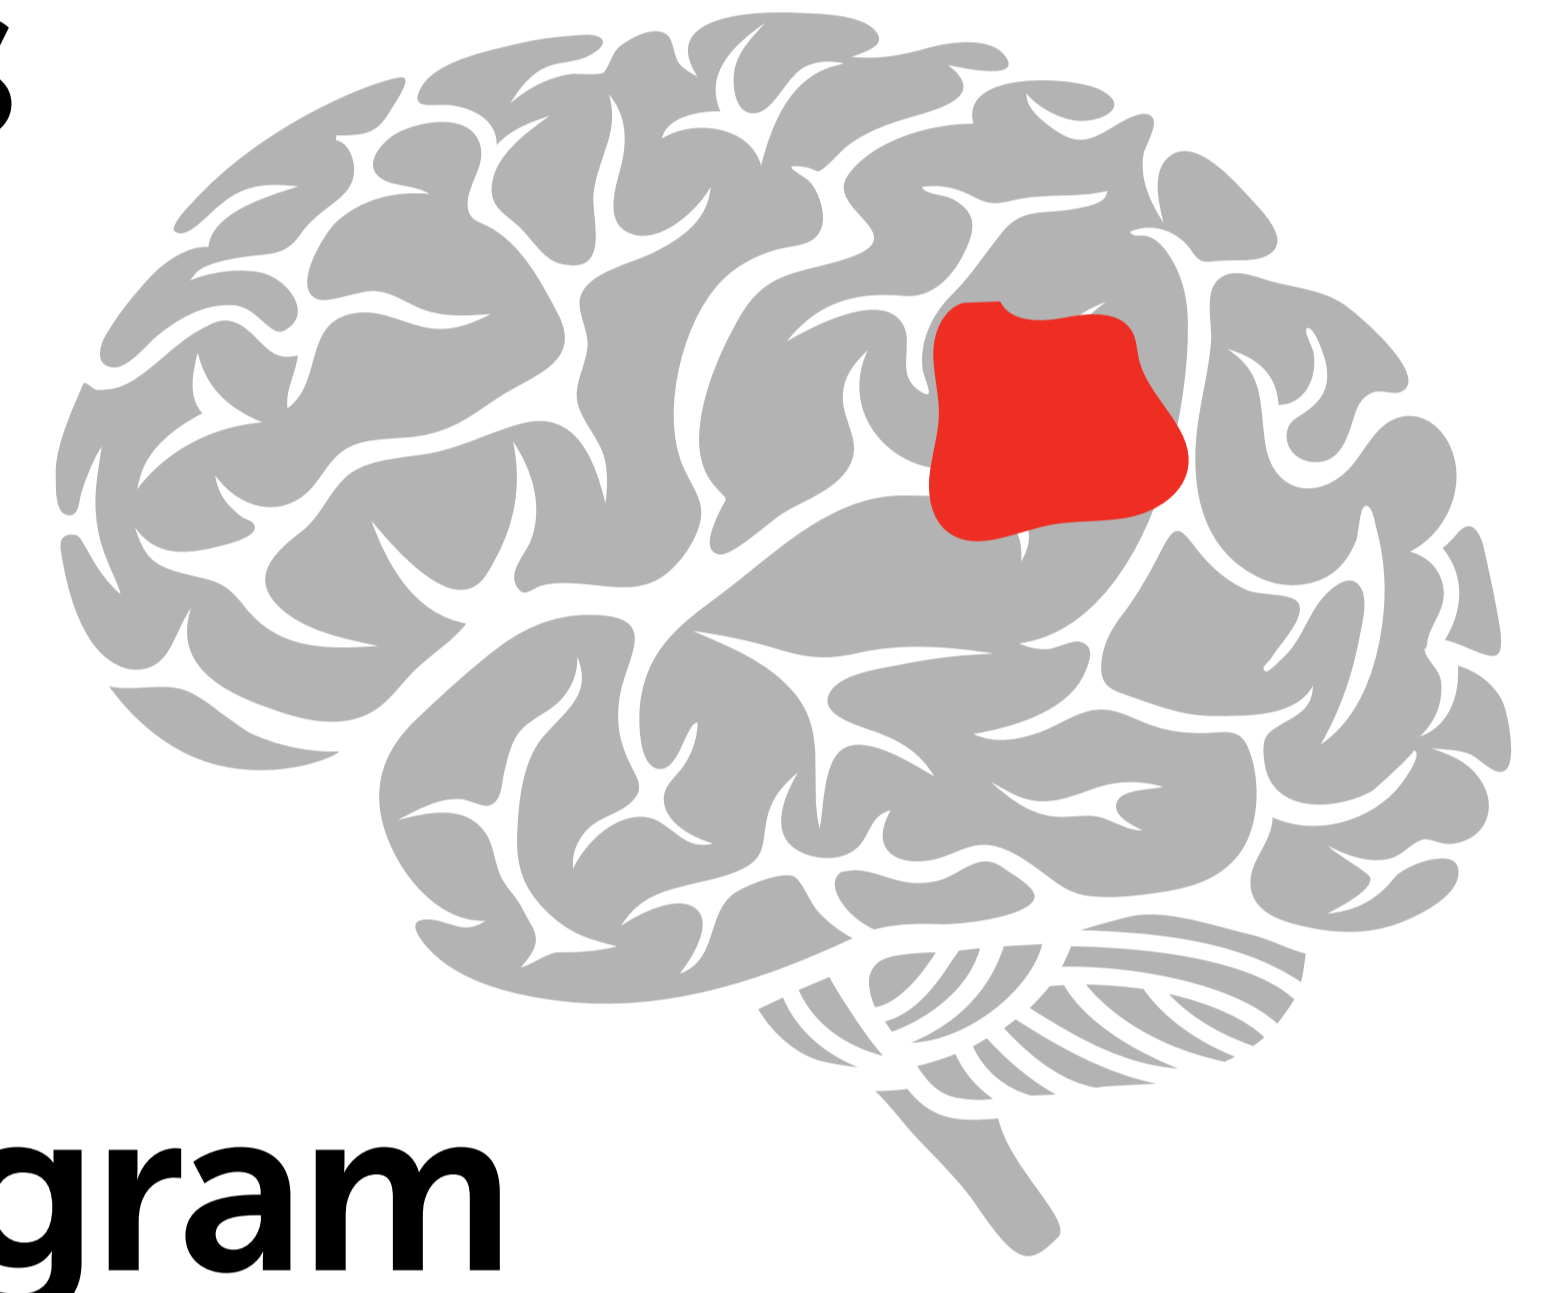

children in the U.S. are diagnosed each year with a central nervous system tumor

Our comprehensive Pediatric Neuro-Oncology program is one of the largest in the Southeast and the only one in Alabama

Over
300

children with nervous system tumors are cared for each year by our Pediatric Neuro-Oncology program

More than
1,000

outpatient visits to our Pediatric Neuro-Oncology Clinic are made annually

Our team led an international study that dramatically **IMPROVED SURVIVAL FOR AT/RT**, one of the deadliest childhood cancers

We are conducting the **FIRST-EVER PEDIATRIC IMMUNOTHERAPY CLINICAL TRIAL** using the genetically altered herpes virus G207

Our team treats patients with the most promising new drugs as one of only **21 MEMBERS** of the prestigious **COG PHASE 1 CONSORTIUM**
