- Tiffany Kaczorowski, Children’s of Alabama
- Adolfo Molina, MD, UAB Department of Pediatrics
- Robert Pass, MD, UAB Department of Pediatrics
- Erinn Schmit, MD, UAB Department of Pediatrics

# Continuing Education

**CME**

Children’s of Alabama designates this live activity for a maximum of 6.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Children’s of Alabama is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 6.00 MOC points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

Note: MOC points are Part 2.
Global Learning Objectives

Upon completion of this live activity, participants will be able to:

1. Review the latest information on prevention and management of important pediatric disorders.
2. Diagnose and create a management plan for specific pediatric disorders in a primary care setting.
3. Describe consensus guidelines for specific pediatric diseases.
4. Differentiate when referral to a specialist is necessary for complex pediatric problems.
