In these challenging times ... (Still) Serving Children Safely

**INFECTION CONTROL**

All visitors to campus are screened for signs of illness and fever.

We are dedicated to providing a clean and safe environment for your visit.

We follow all Centers for Disease Control (CDC) guidelines for cleaning and disinfecting our facilities.

Our staff practices safe hand hygiene.

We are wearing masks for your safety. Thank you for wearing your face covering.

---

**SOCIAL DISTANCING**

Waiting rooms have been reconfigured to accommodate social distancing guidelines.

**ALL VISITORS TO CAMPUS ARE REQUIRED TO WEAR MASKS.**

We have implemented a staffing density reduction plan to limit the number of employees on campus and to keep them safe as they shelter at home.

---

**VISITATION**

Please do not visit if you have flu-like symptoms and/or cough, fever and/or shortness of breath, runny nose/nasal congestion or sore throat.

**FOR INPATIENT VISITS**

- Visitors are limited to two (2) parents/caregivers.
- No other visitors, including siblings, will be allowed.

**FOR OTHER VISITS**

(Scheduled surgery patients, outpatient clinic appointments and Emergency Department visits)

- One (1) parent/caregiver is allowed to bring the child.
- No other visitors, including siblings, will be allowed.

*Exceptions may be made in some cases.*

---

**APPOINTMENTS**

We are scheduling **telemedicine** appointments whenever possible to limit direct contact.

Our Pediatric Practice Solutions (primary care) offices are operating on altered schedules and triaging in the parking lot when possible.

For the most up-to-date hours of operation, please visit [www.childrensal.org/practices](http://www.childrensal.org/practices) or call the office of your child’s pediatrician.

COVID-19 tests are being ordered for all inpatient admissions.
