

Stepping Stones:

Making the Transition from Student to Professional

Date: April 5th

Location: Bradley Lecture Center

Conference Summary:

Have you ever wondered how you are going to apply your child life book knowledge into everyday practice? Our student conference will highlight the basics of child life in everyday practice with a hands – on approach. You will learn skills to help make the transition from student to professional and hear first hand from staff at Children’s of Alabama the impact child life can make on patients, families, and the hospital system.

Registration: \$45 (breakfast, lunch and parking included at 5th Ave. deck)
