New Year – New Code of Conduct

Corporate Compliance is very excited to share our new 6th edition Code of Conduct (Code) with the Children’s community! The Corporate Compliance Committee (Blanche Lowery, Jo Hennington, Kathleen Street, Kelly Pinion-Smith, Laura Gosney, Leigh Isbell, Pam Atkins, Robert Park, Ronee Nelson, Shana Reach, Stacy Martin and Vicki Shinick), along with the Compliance Department Staff, revised the Code so it will be easily readable and useful as we go about our daily duties at Children’s.

The colorful new Code includes a few new features such as a Question and Answer section for each commitment and an icon for each commitment which represents its meaning. The insert below shows a page from the new Code which identifies each commitment and the corresponding icon.

In upcoming Compliance Corner articles, we will highlight the twelve commitments as a reminder to all of how we can successfully adhere to the Code. To view the revised Code, go to The Red Wagon under Policies and Procedures.

Remember - we’re all in this together!
